

Block of the Month Program Description

**A block of the month (BOM) is an easy and efficient way to finish a quilt without spending a lot of time or money at once.

**You can start any BOM at anytime. BOM programs are non-cancellable. We automatically ship your next kit each month with the pattern and fabric for the next step. BOMs ship throughout the month according to the [BOM Mailing Calendar](#). Shipping costs are listed on each BOM, and your order total will be adjusted accordingly before charging your credit card.

**By the end of the program, you will have a completed quilt top ready to quilt and bind (binding fabric is included in all BOM kits). BOMs are a great way to save money and fabric- you only get the fabric you need for the quilt.

**Backing is sold separately for most BOMs. Order your backing at the same time, and your backing is 20% off (regular priced fabric only). Don't know what you want on the back? Order the backing set for your BOM and let our team of experienced quilters pick for you.

**Don't want to wait months for your complete kit? Buy the complete kit at once and the price is discounted 20%. Plus FREE SHIPPING on orders over \$150. Don't forget your backing (see above for details).
